MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT : Proposed T/O for the Office Of Current Intelligence

1. Reference is made to the attached proposed T/O for the Office of Current Intelligence. The proposed T/O has been submitted to reflect an internal reorganization within the office and does not represent an increase in number of positions. The major changes, as shown on the proposed T/O, have been the elimination of the Functional Division, the consolidation of the Administrative Staff with the Policy and Liaison Staff, and a shift of some positions from various divisions into others. Several grade changes have been recommended but the net effect has been to leave unchanged the average salary of the current T/O which is $6,060.

2. Inasmuch as the proposed T/O does not affect the currently authorized number of positions nor average salary, no budgetary problems are involved in the consideration of the proposed T/O for approval.

3. For your convenience there is attached a brief summary analysis by division of positions currently authorized and proposed for approval.
